Respected Sir,

Sub: Request for unconditional return of testimonials of candidates who takes admissions for post graduate course (medical/ dental) in Karnataka for the year 2013-2014.

Regarding I am one of the candidates intending to appear at the admission for post graduate course (medical/dental) in Karnataka for the year 2013-14

I have been served with a merit in that regard. The instructions given to the candidate states those originals of all the testimonials have to be furnished at the time of counseling, seat selection and admission to the college. I similarly as many other candidates being ready to furnish. All the original documents wouldhowever require the said documents for staking our claims before other selecting authority/authorities such as (NEET, COMEDK etc...)Since they also similarly insist upon the production of original documents themselves.

Faced with such situation, I here by request that upon the verification of original documents which will be produced by us at the time of counseling, the same be arranged to be returned to us forthwith, then and there so that neither the RGUHS nor would any other selecting authority be handicapped.

On the other hand returning the said documents unconditionally would enable, the candidates concerned to seek and obtain selection from any other selecting authority. Reference regarding condition stated in PGET-2013 brochure for return of testimonials of candidates has been enclosed here with.

Kindly ponder over this fascinate request with objectivity, and order for the return of the original testimonials, as requested for hearing above.

Thanking you,

Yours faithfully,

Respected Sir,

Subject: Requisition for providing provision for staking our claims before other selecting authority/authorities such as (NEET, PGET, COMEDK, DNB etc...) in the successive rounds of counselling for the Post Graduation courses.

Sir, we have taken seats through various entrance exams (NEET, PGET, COMEDK, DNB etc...) In various colleges in first round of counselling. This time due to the change in rules we are rendered ineligible to attend 2nd round counselling, if we have taken a seat and got admitted in respective colleges. The other option is to risk not to get admitted in the colleges and the allotted seat will be cancelled. We need to attend the counselling freshly. Since first round counselling for many selecting authority/authorities such as (NEET, PGET, COMEDK, DNB etc...) in the country which were conducted early. Many students who have got good ranks in other exams have also taken seats which they will surrender within 2nd round. And we have fair chance of up gradation.

Kindly provide us the provision for appearing for staking our claims before other selecting authority/authorities such as (NEET, PGET, COMEDK, DNB etc...) in the successive rounds counselling for the Post Graduation courses by providing the following information and provisions well in advance;

1) Seat Matrix for the Subsequent rounds of counselling
2) List of unfilled seats after the previous rounds
3) List of allotted seats in the previous rounds
4) Return of the original testimonials, for the verification which will be produced by us at the time of counselling before other selecting authority/authorities

Kindly ponder over this fascinate request with objectivity, allow us to attend the subsequent rounds so that we will have fair merit based allotment of seats. Reference regarding conditions stated in brochures for return of testimonials of candidates has been enclosed here with. Please also furnish to us the reason for rendering us ineligible to take the second round, as we are anxious to know the same.

Write to COMED-K.

Thanking you,

Yours faithfully,

[Dr. Harish Sajjan]
